

## § 180.335

### DISCLOSING INFORMATION—PRIMARY TIER PARTICIPANTS

#### **§ 180.335 What information must I provide before entering into a covered transaction with a Federal agency?**

Before you enter into a covered transaction at the primary tier, you as the participant must notify the Federal agency office that is entering into the transaction with you, if you know that you or any of the principals for that covered transaction:

- (a) Are presently excluded or disqualified;
- (b) Have been convicted within the preceding three years of any of the offenses listed in § 180.800(a) or had a civil judgment rendered against you for one of those offenses within that time period;
- (c) Are presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses listed in § 180.800(a); or
- (d) Have had one or more public transactions (Federal, State, or local) terminated within the preceding three years for cause or default.

#### **§ 180.340 If I disclose unfavorable information required under § 180.335, will I be prevented from participating in the transaction?**

As a primary tier participant, your disclosure of unfavorable information about yourself or a principal under § 180.335 will not necessarily cause a Federal agency to deny your participation in the covered transaction. The agency will consider the information when it determines whether to enter into the covered transaction. The agency will also consider any additional information or explanation that you elect to submit with the disclosed information.

#### **§ 180.345 What happens if I fail to disclose information required under § 180.335?**

If a Federal agency later determines that you failed to disclose information under § 180.335 that you knew at the time you entered into the covered transaction, the agency may—

- (a) Terminate the transaction for material failure to comply with the

## 2 CFR Ch. I (1–1–10 Edition)

terms and conditions of the transaction; or

- (b) Pursue any other available remedies, including suspension and debarment.

#### **§ 180.350 What must I do if I learn of information required under § 180.335 after entering into a covered transaction with a Federal agency?**

At any time after you enter into a covered transaction, you must give immediate written notice to the Federal agency office with which you entered into the transaction if you learn either that—

- (a) You failed to disclose information earlier, as required by § 180.335; or
- (b) Due to changed circumstances, you or any of the principals for the transaction now meet any of the criteria in § 180.335.

### DISCLOSING INFORMATION—LOWER TIER PARTICIPANTS

#### **§ 180.355 What information must I provide to a higher tier participant before entering into a covered transaction with that participant?**

Before you enter into a covered transaction with a person at the next higher tier, you as a lower tier participant must notify that person if you know that you or any of the principals are presently excluded or disqualified.

#### **§ 180.360 What happens if I fail to disclose information required under § 180.355?**

If a Federal agency later determines that you failed to tell the person at the higher tier that you were excluded or disqualified at the time you entered into the covered transaction with that person, the agency may pursue any available remedies, including suspension and debarment.

#### **§ 180.365 What must I do if I learn of information required under § 180.355 after entering into a covered transaction with a higher tier participant?**

At any time after you enter into a lower tier covered transaction with a person at a higher tier, you must provide immediate written notice to that person if you learn either that—

(a) You failed to disclose information earlier, as required by § 180.355; or

(b) Due to changed circumstances, you or any of the principals for the transaction now meet any of the criteria in § 180.355.

### **Subpart D—Responsibilities of Federal Agency Officials Regarding Transactions**

#### **§ 180.400 May I enter into a transaction with an excluded or disqualified person?**

(a) You as a Federal agency official may not enter into a covered transaction with an excluded person unless you obtain an exception under § 180.135.

(b) You may not enter into any transaction with a person who is disqualified from that transaction, unless you obtain a waiver or exception under the statute, Executive order, or regulation that is the basis for the person's disqualification.

#### **§ 180.405 May I enter into a covered transaction with a participant if a principal of the transaction is excluded?**

As a Federal agency official, you may not enter into a covered transaction with a participant if you know that a principal of the transaction is excluded, unless you obtain an exception under § 180.135.

#### **§ 180.410 May I approve a participant's use of the services of an excluded person?**

After entering into a covered transaction with a participant, you as a Federal agency official may not approve a participant's use of an excluded person as a principal under that transaction, unless you obtain an exception under § 180.135.

#### **§ 180.415 What must I do if a Federal agency excludes the participant or a principal after I enter into a covered transaction?**

(a) You as a Federal agency official may continue covered transactions with an excluded person, or under which an excluded person is a principal, if the transactions were in existence when the person was excluded. You are not required to continue the

transactions, however, and you may consider termination. You should make a decision about whether to terminate and the type of termination action, if any, only after a thorough review to ensure that the action is proper.

(b) You may not renew or extend covered transactions (other than no-cost time extensions) with any excluded person, or under which an excluded person is a principal, unless you obtain an exception under § 180.135.

#### **§ 180.420 May I approve a transaction with an excluded or disqualified person at a lower tier?**

If a transaction at a lower tier is subject to your approval, you as a Federal agency official may not approve—

(a) A covered transaction with a person who is currently excluded, unless you obtain an exception under § 180.135; or

(b) A transaction with a person who is disqualified from that transaction, unless you obtain a waiver or exception under the statute, Executive order, or regulation that is the basis for the person's disqualification.

#### **§ 180.425 When do I check to see if a person is excluded or disqualified?**

As a Federal agency official, you must check to see if a person is excluded or disqualified before you—

(a) Enter into a primary tier covered transaction;

(b) Approve a principal in a primary tier covered transaction;

(c) Approve a lower tier participant if your agency's approval of the lower tier participant is required; or

(d) Approve a principal in connection with a lower tier transaction if your agency's approval of the principal is required.

#### **§ 180.430 How do I check to see if a person is excluded or disqualified?**

You check to see if a person is excluded or disqualified in two ways:

(a) You as a Federal agency official must check the EPLS when you take any action listed in § 180.425.

(b) You must review information that a participant gives you, as required by § 180.335, about its status or the status of the principals of a transaction.
